

1. Fold paper in half, like a hamburger (so page is 5 ½ x 8 ½")
2. Unfold, then refold like a hotdog
3. Cut along solid lines, through both layers
4. Crease the tail along the dashed line and fold it back and forth until flexible
5. Refold like a hamburger
6. Press at the dashed line and the tail will pop forward
7. Sandwich between another sheet of paper to create a cover and writing space
