

Cut on the solid lines. Fold on the dashed lines. Decorate and write on the four side panels BEFORE you assemble the box! (And make sure your text is facing the right way.)

Dab some glue on the skinny tab on the left. Then begin assembly from the right side, with the bottom (Tabs 1–4) facing up. Position Tab 2 ON TOP OF Tab 1; position Tab 3 ON TOP OF Tab 2; and position Tab 4 ON TOP OF Tab 3.

Position the skinny tab UNDER the edge of Panel 1, then press in place. Put a dab of glue on the underside of Tab 4 to hold the bottom in place. Fill with popcorn and enjoy!
